WRHL is proud to announce that "[The Michael Koolidge Show](#)" will be DOUBLING its daily show airtime. Currently airing from 4 – 5 p.m. (Central) each weekday, starting Monday, August 7, Michael will bring his brand of News and Talk to the airwaves from 3 – 5 p.m. leading into the Emmy Award winning "Lars Larson Show" from 5 – 8 p.m.

"I liked your interview style. Direct, polite, curious. You give me hope that there can be civilized interview shows with a host who is clear about his position but curious to investigate and learn from other points of view. Pretty cool."

Statement from Michael Koolidge: "I'm honored that Rochelle Broadcasting has the confidence in my show so far to double my airtime. I have a blast working here and feel like I'm learning something new every day. Double the airtime means double the work, of course. Double the quality for listeners too. Hey, you know what else should double then, for me? Wait...boss, where are you going?..."
